Dedication

This 1967 edition of "Les Adieux" is dedicated with admiration to a devoted teacher,

MRS. ALLEN KOSNAR

We, the annual staff, would like to dedicate this edition of the 1967 "Les Adieux" to Mrs. Allen Kosnar. We would like to do this in honor of our former advisor because she kept the yearbook work "alive" throughout the years with her help. She was the one that started most of us out in the yearbook world and encouraged us to go on when the days seemed dark.

The Staff thanks you, Mrs. Kosnar

Members of the Board of Jt. District No. 1 are Rene Durocher, clerk; Mrs. B. A. Robinette; Boyd Rymer; John Holley, Director; Lawerence Woulf; Lawrence Bittner; and Bernard Stodola; treasurer.

The Personnel Who Guide Our School

"Yesterday is a cancelled check, tomorrow is a promising note. Today is ready cash--spend it wisely."

The above quote is a good one for each student in our graduating class. The world is well endowed with people who think and talk more about what they did than what they are doing. The person who is more concerned about what he did in high school --his accomplishments or failures--rather than what he has to offer for today, whether in future study or on the job, is hurting himself and endangering his future.

Of course it is always easier to make excuses and to procrastinate about the great things you are going to do in the future, rather than digging into today's work. While you dream, the world will pass you by.

It is only natural for us to want to reflect pleasantly upon the past from time to time, and as we realize that the past cannot really be recaptured, such reflections are harmless enough. The important thing to remember is that it is in the past that we stand to derive our greatest satisfaction.

The present determines the future. Our ultimate security and success necessarily depend upon how well we take advantage of today. Now as you commence a new life, be prepared to walk forward, not backward, into the future.

Teachers Caught By Our Camera

The climax of the evening was the crowning of the Queen. Above, Linda Charnesky, Tina Wiedemeier, Kevin Rich, and Don Damitz look on as Colin Kinziger crowns Ardene Martin.

Juniors Made the World Turn

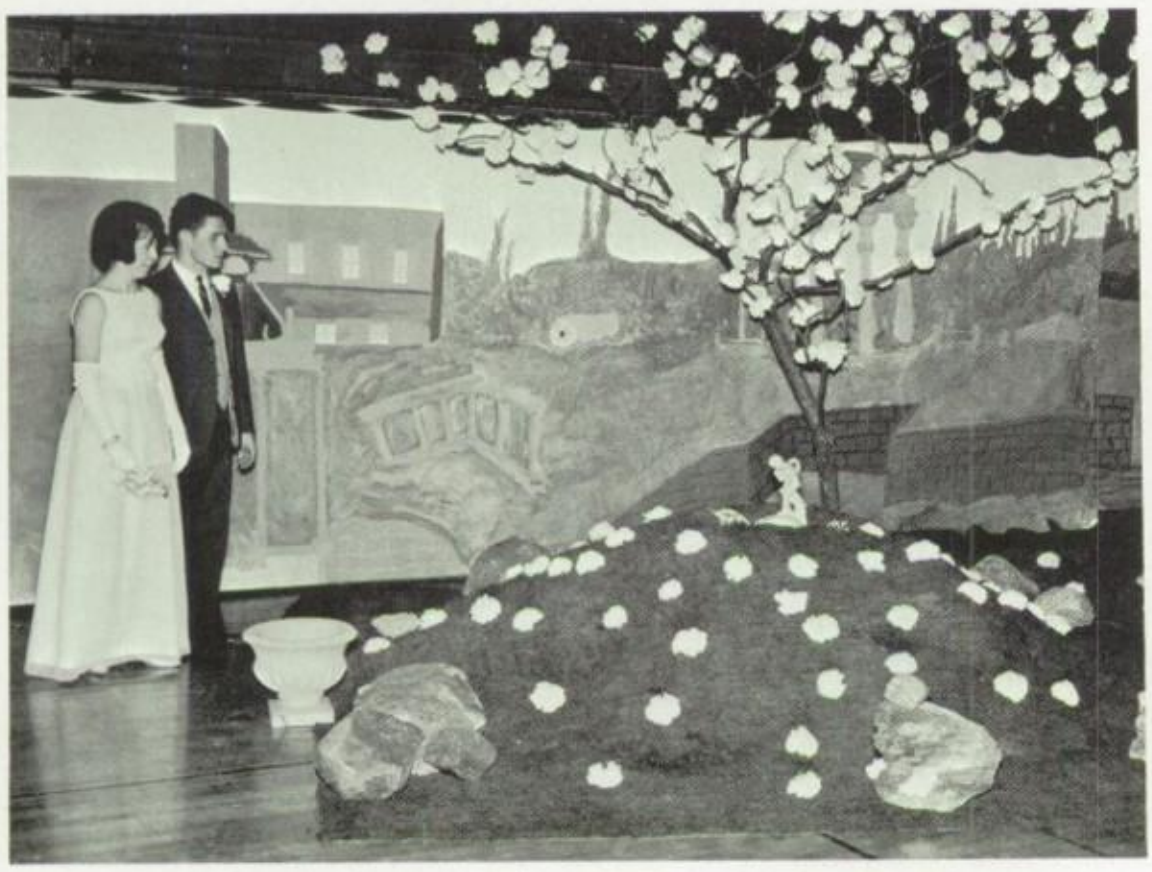
The Grand Line Up: Mary Lesperance, Mike Finney, Freshmen; Diann Orlando, Kenny Martin, Juniors; Linda Charnesky, 1965 Royalty; Ardene Martin, Queen; Colin Kinzinger, King; Don Damitz, 1965 Royalty; Tina Wiedemeier and Kevin Rich, miniature King and Queen await the Grand March.

Spectators sit along the fence and watch the beauty of the evening. To the right is one of the four huge hearts and to the left is the Tunnel of Love.

Round and Round and Round

"Love Makes The World Go Round", was presented as the 1966 Prom Theme. Representing Coleman High School as our enchanting Queen was Ardene Martin, escorted by His Majesty, Colin Kinziger.

You could tour the world just by traveling around the dance floor. A white picket fence separated the dancers from the spectators. Four huge hearts symbolized the corners of the earth. Between each heart a different land was presented. Hawaii was symbolized by palm trees, green grass huts, vines and a volcano containing the "Flaming Coals" from Appleton. The Sidewalk Cafe and the Eiffel Tower represented France. The Orient had the Tunnel of Love, and Japanese lanterns. Rome displayed a beautiful fountain, colosseum, and ancient ruins of Italy.



Capturing the beauty of ancient Rome, Linda Charnesky and Allan Mursau admire the beauty of Rome.

As the seniors of "67" say farewell to C.H.S. they will carry the fond memories of their past four years with them. Each year since they were freshmen, the seniors have had more new and worthwhile experiences. The years since they started high school have flown rapidly by and now it is their turn to leave C.H.S.

The seniors have had an all around successful high school career. As freshmen they took an active part in the Homecoming activities. One of their duties was to wrap the victory "V" for the bon fire. As the sophomore year approached, the main emphasis for most students was on their driver licenses. By the time their junior year rolled around, they were already looking forward to their junior prom. "Love makes the World Go 'Round" was the theme for which the junior class worked together to produce.

The senior year started with the knowledge that this was the last year at C.H.S. Then in June, graduation came. But graduation is both an ending and a beginning. With graduation, comes the parting of friends and familiar places. Along with it is a bright and unknown future. Good luck in everything you do in the future, seniors.

The Future was in Their Hands

High School is over for the Seniors.

Our Future Seniors

The Junior class consisted of 96 students. Their first successful project was the "Back to School" dance with a band providing the music. The Juniors also worked hard on their creative homecoming decorations. These colorful decorations were arranged around the top-floor halls.

Preparation for their Prom began early in the winter by the selection of a theme and the organization of various committees.

Credit must also be divided among their four able advisors; Mr. Blackbourn, Mr. Fiedorowicz, Mr. Kosnar and Mr. Raymond.

The Juniors were busy as usual with their various activities. If there was something going on, you could be sure a Junior had his hand in it.

Actually if I mix this with that, maybe then...

CLASS OFFICERS

The Freshman class of 1970 began a promising year by electing their class officers as follows: Ken Camlek, President; Herb Wiseman, Vice-President; Mary Kay Kralovitz, Secretary; and Bonnie Bunker, Treasurer.

Traditionally, the Freshmen wrapped the Victory "V" for the homecoming bonfire. They also selected Bonnie Bunker as the Freshman class queen candidate.

The Freshman class held, on January 6, 1967, a record hop after the Suring Basketball game. This was a great success, for it helped them raise money for their future activities.

Mr. Walker, Mr. Hosking, Mr. Young, and Miss Zibell have advised the 103 member class through a successful year.

The new members were initiated in November. The morning torture was not enough; they had to stay after school for a little more medicine.

Due to the administration's request, the original constitution is being changed. A more active and better spirited constitution is to be drawn up by the members.

The club purchased a new coke machine that will replace the old one used by the club for the money they use during the year.

In the near future the club hopes to rent "C" Club jackets to the members, but only according to status.

Cheerleaders Add Pep To C.H.S.

This year, as traditional, cheerleaders were selected on the basis of personality, appearance, leadership, and ingenuity.

Their services included leading students and the public in cheers at all athletic events and conducting pep rallies.

Several cheerleaders in the month of November traveled to Wausaukee where they participated in the area cheerleaders' clinic. Here, they learned new techniques for certain jumps, cheers and acrobats.

Also this year, the cheerleaders, along with Mr. Bloch and Mr. Raymond, organized a pep club. The cheerleaders showed their pep and vigor by introducing new cheers at pep sessions and arousing school spirit at all athletic events.

The Future Farmers of America was a dedicated organization of young men whose chief aim was to improve the agricultural status of the United States.

The ice cream machine, sponsored by the Future Farmers of America, took in much of the profit used to pay for its many activities. Under the leadership of their advisor, Mr. Walker, these activities have become a great success. Among those activities is the annual reforestation program in which their trees were donated by the conservation department. Another important activity was the National F.F.A. Convention in Green Lake, which delegates were sponsored by our chapter.

During the winter months the F.F.A. also sponsored a chapter basketball team. To finish the year out the annual F.F.A. banquet was held and awards given out.

F.H.A. Trains Students For Future

Under the leadership of Miss Zibell, the Future Homemakers of America participated in a very active year. They were asked to host the FHA Workshop Rally on December 3. Together with the FFA, the FHA held a Christmas Party and fun night. It proved to be a very exciting event with Santa Claus attending. Instead of giving gifts, Santa received them from each member for the children in the orphanages. The annual magazine sale at the beginning of the year reached a new all time goal.

The Seniors will be using the knowledge they acquired in the last few years in their future homes, as well as passing it on down to future generations.

Les Adieux Staff Brings Yearbook To You.

The yearbook staff was very busy throughout the year. To raise the needed funds, the students sold hot dogs and baked potatoes at the football games, and also sponsored the basketball game, starring the Harlem Diplomats against the faculty.

The annual sales were conducted during the months of October and November and the actual work was begun under their new advisor, Mr. Young.

The artwork and copy was done by members of the staff and the candid pictures were taken and processed by the staff photographers.

Each member of the staff spent many long hours working to produce a yearbook worth remembering.

Our Scholars of C.H.S.

To become a member of the National Honor Society, a student must maintain an average of 3.25 as well as having high standards of character, scholarship, leadership, and service.

The students were kept busy sponsoring three major activities during the year. They were the public induction of new members, student government day, and an educational field trip. They also typed up the programs for football, basketball, and wrestling for the benefit of those attending.

The club consisted of nine seniors, nine juniors, and five sophomores. The sophomores were only probationary members but will be inducted as active members in their junior year if they remain in good standing.

This year's officers were Janice Yoap, President; Beth Joy, Secretary; and Tessie Lewandowski, Treasurer. The advisors were Mr. Bartels and Mr. Bloch.

Student Council Is Governing Body of School

The Student Council under the direction of Mr. McIlwee and Mr. Ritter sponsored many activities representing the student body. They were in charge of the Homecoming activities such as the record hop held after the bonfire and the Traditional Homecoming Dance the next night. It proved to be a big success.

Another major activity was arranging the school's Christmas program held on the day before vacation.

The big project of the year was forming a new student handbook. The members studied student handbooks from other schools. Everyone had a part in putting the new handbook together.

This year the classes elected their representatives at one of the class meetings.

Coleman Wrestlers

Coleman High racked up another undefeated season by dominating the Bayland Conference and coming up on top of the two Milwaukee Invitationals. Under the management of Coach Douglas and Coach Raymond, the Cougars nine year record stands at 109-2.

The Cougar team advanced nine men to the Preble sectionals and five to the state wrestling tournament in Madison.

The Senior members who said good-bye to the mats this year were Steve Hensler (103), Ken Martin (120), Dave Kostreva (127), Ken Stodola (127), Colin Kinzinger (138), Joe Charapata (154), Curt Johnson (165), and Paul Bedora (180).

All the wrestlers practiced hard to make the team the top in the conference. Good work, boys!!!

Our Basketball Team

Coach Robert Blackbourn, in his second year as Cougar coach, kept the Cougars on the fighting list. They turned over a 6-10 record at the end of the season.

Although they didn't come up with a winning season, our boys in green and white never called it quits and played every game to the final buzzer.

Seniors, Glen Brodirck and Mickey Wieczorek were main factors in leading the cougars. Other seniors were Rick List, Dave Meyer, Lee Meyer, and Bob Hanne.

LAUERMANS DEPARTMENT STORE

Every graduating senior in our Public School systems has had the benefit of one of the finest preliminary educations provided by any nation on earth. This nation, long a leader in free public education for everyone, actually gives its young people a far different situation. It's up to you, what happens NEXT. Up until now, a lot of decisions were made for you.

Whether you become a wage earner immediately, or decide to seek academic or technical training for further learning, you have the best possible background for either step. The decision you make you, could very well alter the course of our nation's history.

Because our globe is shrinking, today nations instead of areas, compete. The race will be won by the best trained. You've had a head start! Good Luck!!

Room 202 was a busy place every Tuesday night. The picture verified this fact. Your "Les Adieux" staff worked hard and diligently for a yearbook that would have value for every student. We hope that we have succeeded in that goal.

But more than that, this yearbook will hold memories for you. In one, five, ten, or twenty-five years, this yearbook will bring back classes, teachers, dances, games, and dates; the best times of your life.

So now as you read this, think of the future. And in the future, think of the past.
